Royal Building Products, a division of Royal Group Inc. ("Royal"), in respect of vinyl siding and vinyl soffit manufactured by it (hereinafter referred to as "Products") warrants to you the original purchaser of Products installed at the property with the above address (the "Property"), that subject to the terms and conditions herein contained, the Products are and will be free from manufacturing defects which result in peeling, flaking, chipping, splitting or blistering. This warranty will remain in effect during your lifetime as long as you are the owner of the Property, subject to the terms of transferability set out herein. Royal also warrants the Products to be resistant to dents due to their exceptional material and design. Furthermore, as the Products are made of vinyl instead of metal, they will not rust or conduct electricity and therefore do not require grounding. All failures to Products covered by this warranty will be repaired, replaced or restored by Royal in accordance with the terms and conditions of this warranty.

Royal shall not be liable for and this warranty does not apply or extend to any failure, defects or damages arising from or connected with, without limitation, misuse, neglect, faulty or improper installation, owner failure to provide reasonable and necessary maintenance to prevent an accumulation of surface dirt, staining or mildew, defects, exposure to harmful chemicals, failure of or damages to walls, surfaces or structures to which Products are applied arising from settlement, distortion or warping due to unusual heat sources (including outdoor grills and reflection from windows or foil sheathing), movement, or cracking thereof, earthquakes, hurricane, tornado, cyclone, gale, lightning, fire, flood and Acts of God, accidental or intentional damage, vandalism and all other causes beyond the manufacturer's control. This warranty does not apply to siding which has been painted, varnished or coated over the manufacturer's original finish.

IMPORTANT: Siding which experiences color change due to normal weathering is excluded from this warranty. Non-uniform color change as a result of equal exposure to sunlight is covered under this warranty; non-uniform color changes resulting from unequal exposure to sunlight is not covered under this warranty. "Normal weathering" is defined as exposure to ultraviolet (sun) light, and extremes of weather and atmosphere which will cause any colored or painted surface to fade, darken, chalk, or acquire a surface accumulation of dirt or stains. The severity of these conditions depends on air quality, the geographic location of your home, and other local conditions over which Royal has no control.

DURA COLOR COVERAGE

Royal shall determine whether the siding is suffering from normal weathering. This conclusion shall be based

on whether the siding and vertical soffit evidence a change in color in excess of 7 Hunter Units as calculated according to ASTM D2244. (The Royal brands covered up to 7 Hunter Units are **Residential, Royal Crest and Genesis.**)

This warranty becomes valid only after the certification of installation is filled in by the Dealer, signed by the original purchaser of the Products and mailed to Royal within thirty (30) days of installation.

The lifetime coverage provided by this warranty is extended to cover individual person(s) who are homeowners, and does not extend to Products purchased by or installed upon property owned by any other entities, including, without limitation, corporations, partnerships, trusts, estates, governmental agencies or bodies, religious organizations, schools, condominiums, or co-operative housing arrangements, or installed on apartment buildings or any other multi-housing units not used by individual homeowners. For entities or persons to which the lifetime coverage does not extend, the warranty period shall be fifty (50) years following installation of the Products, and is transferable to 50 years from date of original installation.

This limited warranty may be transferred to subsequent owners of the Property by the original purchaser, provided Royal receives written notice, in the form set forth herein, within thirty (30) days of the transfer of the Property. Failure to do so shall result in the termination of any obligations on the part of Royal. Should notice of a transfer be correctly and promptly effected, the warranty period shall be lifetime from the date of purchase by the subsequent owner.

Should you feel that Products contain manufacturing defects, promptly write to the Customer Service Department, Royal Building Products, 91 Royal Group Crescent, Woodbridge, Ontario, Canada, L4H 1X9, describe the claimed defect and provide proof of ownership of the Property. Do not undertake repairs without receiving advice from Royal, as improper repair work may aggravate the problem. Upon receipt of your letter, Royal will notify you of the evidence you will need to support your claim. Should Royal determine that your claim is valid, the defective part or parts, including materials and labor, will be repaired or replaced at no cost to the original purchaser or subsequent owner.

In lieu of repair, restoration or replacement, Royal reserves the right to refund that amount paid by the original owner for the Products together with the cost of the original installation.

In addition to the foregoing, Royal warrants the Products made of solid vinyl against damages caused by hail. Upon payment of a Fifty Dollar service payment and verification of the claim, Royal will provide the original purchaser or subsequent owner the material necessary to replace the material damaged by hail.

Royal reserves the right to discontinue or change any of its vinyl products, including colors, without giving notice to the original purchaser or subsequent owner. In the event of such discontinuance or change, Royal shall not be liable to the original purchaser or subsequent owner. Should a product covered by this warranty be unavailable, Royal reserves the right to substitute a product that is of equal quality or price, according to Royal's sole discretion.

THIS WARRANTY IS GIVEN IN LIEU OF ALL OTHER WARRANTIES, LIABILITIES OR OBLIGATIONS OF ROYAL, EITHER EXPRESSED OR IMPLIED, EXCEPT THAT THE DURATION OF ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE ARE LIMITED IN TIME TO THE DURATION OF THIS WARRANTY. ROYAL SHALL IN NO EVENT BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL OR SPECIAL DAMAGES OF ANY KIND FOR BREACH OF ANY EXPRESS, WRITTEN OR ORAL OR IMPLIED WARRANTY ON PRODUCTS. YOUR EXCLUSIVE REMEDY SHALL BE ENFORCEMENT OF THIS WARRANTY UPON THE TERMS AND CONDITIONS HEREIN CONTAINED. NO REPRESENTATIVE OF ROYAL OR ITS DISTRIBUTORS OR DEALERS IS AUTHORIZED TO MAKE ANY CHANGE OR MODIFICATION TO THIS WARRANTY.

Jurisdictions do not allow limitation on how long an implied warranty lasts, so the limitations contained herein above may not apply to you. Some jurisdictions do not allow the exclusion or limitation on consequential or incidental or special damages, so the above limitations or exclusions may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, all of which vary from jurisdiction to jurisdiction.

M A I N T E N A N C E

A LITTLE PREVENTIVE MEDICINE NEVER HURTS. HOW TO CARE FOR YOUR ROYAL VINYL SIDING.

Royal vinyl siding may be nearly maintenance-free, but like any product exposed to the elements it will eventually get a little dirty. You should be able to clean it with an ordinary garden hose, but should the dirt be a bit stubborn we suggest the following:

1. Attach a soft-bristled, long-handled car brush to the hose.
2. Use the following cleaning solution for hard to clean areas.
Add 1/2 cup Murphy's oil to 2 gallons warm water.

In very dirty places on the house, we recommend starting from the bottom and working up, rinsing frequently. Cleaning solutions should be left on the surface of the siding and/or soffit for several minutes before rinsing.

If you need any help or suggestions with cleaning problems not covered here, please contact the Customer Service Department, Royal Building Products, 91 Royal Group Crescent, Woodbridge, Ontario, Canada, L4H 1X9.

Important fire safety information: Rigid vinyl siding is made from organic materials and will melt or burn when exposed to a significant source of flame or heat. Building owners, occupants and outside maintenance personnel should always take normal precautions to keep sources of fire, such as barbecues, and combustible materials, such as dry leaves, mulch and trash, away from vinyl siding.
